School Release Form

In order to track academic progress on _____,
it is vital that we are able to monitor the child's progress on a weekly basis. I
have spoken with the Guidance Department at all schools. They are willing
to provide the information as requested, upon the parent's approval.

Checking the child's progress on a regular basis will help our staff to be
better able to help in the area(s) he or she may be having problems in.

I _____, understand that by signing this
consent form, I am giving Susan Ingram Program Director permission to
obtain standardized test scores and other information pertaining to
_____ grades as needed. I also
understand that this information is being obtained solely to track my child's
academic performance and progress.
